Sir,

Subject:- Establishment -- Medical Institutions - Medical Officers - Adoption of the scale of pay mentioned in G.O. No. 1949 P.H., dated the 10th July 1944 - approval - requested.

In G.O.No. 1949-P.H., dated the 10th July 1944 Government revised the scale of pay of Medical officers in charge of institutions of Indian Medicines from Rs.40-3/2-70 to Rs.45-5/2-85 subject to the condition that the local bodies can satisfy the Government that they can find ways and means to meet the required additional expenditure from their own funds without applying for subsidy on account or dearness allowance or any other reason in consequence of the adoption of the revised scale and that prior sanction of the Government is obtained.The council in its resolution No.1(2) dated the 2nd October 1944 adopted the revised scale of pay and requested the Covernment to approve the proposal of the council.The Government declined in their order No. Ms 456 P.H. dated the 14th February 1945 to approve the council proposal as the council's ordinary receipts fell short of the ordinary expenditure but the council was however permitted to renew the proposal if the ordinary receipts balance the ordinary expenditure under General account ~~ordinary~~ according to the Budget estimate for 1946-47.

The ordinary receipts and expenditure as per budget estimate for 1946-47 are 262810 and 329600 respectively but as the extra cost involved now or later is little - it will be only Rs.35/- in 1946-47. it can be met from the excess in the actual opening balance for 1946-47.The council in its resolution No.11, dated the 5th August 1946 - copy enclosed - adopted the revised scale of pay and to give the same with effect from 1st August 1946.

I therefore request that the proposal of the council to give the revised scale of pay from 1-8-1946 may kindly be approved.

56347 62/46. - From the Commr, Mangalore Mfg; No. B2/6657/46 & 22.8.46

From the P.S.G. M; R.C.No. 19522/46. P.H. & 11.9.46.

Please see the letter from the Commissioner, Mangalore Mfg. at P.1/C. First in January, 1945, the Commr, requested the Govt. to approve the Council's proposal to adopt the higher scale of pay of Rs 45-5/2-85 sanctioned in G.O.No. 1949 P.H. dated 10.7.44 in the case of the two medical officers in the institutions of Indian medicine under the Mfg. Md. Col. But the proposal had to be ~~negatived~~ on account of the unsatisfactory financial position of the Council. The Commr. was, however, asked to renew his proposal if the Council's ordinary receipts balance its ordinary expenditure under the General Acct. The Commr. has therefore in his letter in the ref renewed his proposal. From para 2 at P.1/C. it will be seen that the Council's expenditure during 1946-47 is in excess of its receipts. But the Commr. has stated that as the extra cost involved in the proposal during 1946-47 is only Rs 35/- which can be met from the excess in the actual opening balance for 1946-47, the Council's proposal to adopt the higher scale of pay in the case of the two medical officers with effect from 1-8-46 may be approved. ~~In the circumstances~~ The average extra cost involved in the proposal will be Rs 28/- per annum. In the circumstances

at PP-5-6 C/A (V)

There seems to be no objection to approve the proposal. The file may be sent to L.A. for remarks.

On the basis of the R.E. of the Municipal Council for 1946-47 the estimated ordinary receipts under the Act. fall short of the estimated ordinary expenditure by Rs. 11,302. The financial position of the Municipality will improve as a result of the increase in the rates of surcharge on stamp duty which will fetch an additional recurring income of about Rs 36,000 to the Municipality. The Municipality can easily meet the additional recurring cost of Rs. 280 referred to at M in P. 1 above. With this remark the file may be sent to Edn. & P.H. Dept.
